

Corporate Wear: Recycled Polyester Jackets & Masks

SPRING / SUMMER 2022

Our Vision

To pioneer a circular fashion model by becoming the country's leading end-to-end corporate wear solutions company.

Our Mission

To keep products & materials in use for as long as possible.

Combine ucycle apparel with your custom logo for the perfect corporate attire or gift to make every member of your team feel proud & appreciated.

ucycle items are great for not just your business, but it also serves as a way in which to enhance your company's Corporate Social Responsibility (CSR).

BIONIC
FINISH®ECO

Certifications

GRS (Global Recycled Standard)

GRS is a voluntary product standard for tracking and verifying the content of recycled materials in a final product. The standard applies to the full supply chain and addresses traceability, environmental principles, social requirements, chemical content, and labeling.

OEKO-TEX STANDARD 100

STANDARD 100 by OEKO-TEX® is one of the world's best-known labels for textile raw materials, intermediate, and end products (at all stages of production) tested for harmful substances. It stands for customer confidence and high product safety.

SGS (Société Générale de Surveillance)

SGS is the world's leading inspection, verification, testing and certification company. SGS is recognized as the global benchmark for quality and integrity.

BIONIC-FINISH® ECO

BIONIC-FINISH® ECO is a safe and environmentally better alternative free from fluorocarbons and other hazardous chemicals including PFCs (perfluorinated compounds), formaldehyde, and paraffin.

FLUORINE-FREE DURABLE WATER REPELLENCY (DWR)
FOR ULTIMATE PERFORMANCE

®RUCO-DRY ECO PLUS

Highly effective water repellent agent for finishing fabrics of all fibre types. Resistance to washing when combined with boosters, good abrasion resistance, and free of organic halogen compounds.
